The Ultimate Learning Experience

At Jolt, learning is immersive, we've designed the experience to make sure learning is as effective and efficient as possible.

- ✓ **They learn in a physical classroom.** From the moment they enter a Jolt room the whole experience has been designed to take them out of work mode and into learning mode. When they leave, they have precisely the knowledge they need.
- ✓ **Jolt teachers are experts** working in businesses today teaching methods they're currently using today LIVE. Giving you access to insights from businesses across the globe.
- ✓ They'll be sat in a room with 14 like-minded professionals coming up with real-time business solutions. **Adding potential suppliers, clients and hires to their network.**
